

## **ENGLAND BOXING INVITE TO TENDER AS A DiSE (DIPLOMA IN SPORTING EXCELLENCE) PARTNER IN THE LIVERPOOL AREA**

### **Introduction**

England Boxing and South Gloucestershire and Stroud College (SGS) are looking for a delivery partner in the Liverpool area to successfully deliver their DiSE programme for a cohort of up to 20 elite young boxers per year. In relation to the start date England Boxing and SGS are aiming to start this programme in September 2021.

The DiSE programme is an essential part of England Boxing's long-term athlete development pathway. It supports talented and committed young athletes who have a realistic potential to achieve excellence in their sport by combining boxing and full-time education so they have the skills, knowledge and competence to pursue sporting excellence alongside a future career.

Funded by the Education Skills Funding Agency (ESFA), DiSE offers a dual career pathway for athletes who have been recognised and nominated by their National Governing Body as having high potential for excellence. The programme is delivered over two years, combining high-performance boxing with the athlete's chosen further education studies, such as A levels, BTEC or other vocational qualifications. Boxers must be in full-time education for the duration of the programme.

### **More information**

For more DiSE details, please contact Chris Porter via [chrisporterconsultant@englandboxing.org](mailto:chrisporterconsultant@englandboxing.org)

Applicants must be able to provide a full-time offer of a variety of academic, vocational or technical study programmes as well as excellent boxing facilities, DiSE delivery capability and pastoral care.

**Please note:** Applicants not based within an educational institution must be able to demonstrate evidence of a strong professional working relationship with a local further education institution.

### **Successful partner requirements**

- A variety of full-time study programmes.
- High quality delivery of the level 3 Diploma in Sporting Excellence.
- A high-quality boxing facility.
