

CLUB SUPPORT OFFICER, YORKSHIRE REGION

Background

England Boxing is the National Governing Body for the one of the oldest sports in the world, one which has featured in the ancient and modern Olympics, the latter since 1904.

With its own heritage going back to 1880, the organisation is responsible for promoting and developing the sport at all levels, from grassroots through to the England talent pathway, and in turn passing prospective medallists on to GB Boxing. The organisation is a member of AIBA and EUBC, the World and European governing bodies respectively.

England Boxing has a robust strategy and funding plan up until 2022. The governing body is going through rapid change and, up until the pandemic, the sport was experiencing growth in both competitive and recreational boxing. Alongside being successful in delivering medals at international championships, the sport also has a significant record in delivering community programmes and activity in inner cities and local communities.

Recent independent academic research has demonstrated a unique role that boxing clubs can play as crucial “hubs” within their communities. The learning from this research now needs to be disseminated to all clubs and other interested parties in England.

An opportunity has arisen to appoint a new Club Support Officer who will be responsible for helping clubs be more sustainable in the Yorkshire Region.

The successful candidate will join an existing team of eight Club Support Officers and, in an effort to redress a current imbalance, England Boxing would welcome applications from suitably-qualified females and candidates from ethnically diverse backgrounds.

Job Description

Job Title	Club Support Officer, Yorkshire.
Reporting To	Head of Community Development.
Responsible For	Developing club sustainability within the region and supporting national objectives agreed in our contract with Sport England
Salary	£25,000.
