

COMMUNITY BOXING APPRENTICESHIP

Background

England Boxing is the National Governing Body for the one of the oldest sports in the world, one which has featured in the ancient and modern Olympics since 1904.

With its own heritage going back to 1880, the organisation is responsible for promoting and developing the sport at all levels, from grassroots through to the England talent pathway, and in turn passing prospective medallists on to GB Boxing. The organisation is a member of IBA and EUBC, the World and European governing bodies respectively.

England Boxing's vision is to *'Inspire and Transform Lives Through Boxing'* and has a robust strategy and funding plan up until 2027. Alongside being successful in delivering medals at international championships, amateur boxing also has a significant record in delivering community programmes and activity in inner cities and local communities.

Recent independent academic research has demonstrated a unique role that boxing clubs can play as crucial 'hubs' within their communities.

An opportunity has arisen to recruit and appoint 10 apprentice roles (with candidates typically aged between 16-25) who will harness the excitement and interest in the sport generated by the Birmingham 2022 Commonwealth Games.

This will be achieved by delivering community-based engagement events in partnership with England Boxing-affiliated clubs and opening up pathways for sustained participation in the sport.

Closing date for applications is **9am on Monday 17th June**.
