

WOMEN AND GIRLS OFFICER

Background

England Boxing is the National Governing Body for the one of the oldest sports in the world, one which has featured in the ancient and modern Olympics since 1904.

With its own heritage going back to 1880, the organisation is responsible for promoting and developing the sport at all levels, from grassroots through to the England talent pathway, and in turn passing prospective medallists on to GB Boxing. The organisation is a member of IBA and EUBC, the World and European governing bodies respectively.

England Boxing's vision is to '*Inspire And Transform Lives Through Boxing*' and has a robust strategy and funding plan up until 2027. Alongside being successful in delivering medals at international championships, amateur boxing also has a significant record in delivering community programmes and activity in inner cities and local communities.

Boxing has the power to bring communities together. With its uniquely powerful ability to connect people from different backgrounds and engage them in the sport, it truly has the ability to inspire and transform lives.

Boxing is also a sport that is centrally placed to tackle deep rooted societal issues and inequalities within some of the most marginalised and often deprived communities in the country.

Member clubs are located in the heart of communities, provide services to people from the community and, importantly, are run by people who know and understand the issues and challenges being faced by their members every day.

An opportunity has arisen to appoint a new Women and Girls Officer, who will be responsible for supporting England Boxing, our affiliated clubs and partners to significantly enhance and increase accessibility and transitional opportunities within the sport for female boxers, coaches, officials and volunteers.
