

WORKFORCE ADMINISTRATION ASSISTANT – ENGLAND BOXING FULL-TIME, PERMANENT

Background

England Boxing is the National Governing Body for amateur boxing within England and is one of the oldest sports in the world and one which has featured in the ancient and modern Olympics since 1904.

With its own heritage dating back to 1880 and the first national championship taking place in 1881, the organisation is responsible for promoting and developing the sport of amateur boxing at all levels, from grassroots through to the England talent pathway, and in turn passing prospective medallists on to GB Boxing. The organisation is a member of AIBA and EUBC, the World and European governing bodies respectively.

England Boxing has a new strategy in place through to 2027 and has now confirmed its funding with Sport England for the same period. The governing body has gone through rapid change and now has the opportunity to continue to grow and build in both competitive and recreational boxing

With a membership of over 990 clubs, 25,000 competitive boxers, coaches and officials and around 175,000 recreational boxers using the clubs each week, alongside being successful in delivering medals at international championships, the sport also has a significant record in delivering community programmes and activity in inner cities and local communities.
