

WOMEN'S COACH DEVELOPMENT PROGRAMME 2023/2024

Back for a third year!

Following on from the huge success of the previous programmes run over the last two years, we are pleased to announce that we will be taking applications for Cohort 3 starting from today, Wednesday 8th March 2023 – International Women's Day.

A lot has been learned over the last two years and this year the programme has been restructured and improved to better support needs of the coaches.

What the Women's Coach Development Programme (WCDP) entails

The 12-month project will help to support 12 female coaches (who must have passed their England Boxing Level 1 coaching course as a minimum) in their coaching development.

For the successful candidates, the first induction will be held on **Saturday 8th April 2023** at the English Institute Of Sport in Sheffield.

An Individual Development Plan will form the conversations and directions of what each coach requires as their key areas for development.

A mentor will be assigned to offer support and guidance along the way for each of the coaches who are enrolled on the programme.

Practical elements will be delivered via six one-day sessions and a residential, plus an invitation to shadow at a England Performance Pathway Camp and attend the Women's Aspire sessions.

There will be an individual review on completion of the 12 months to explore further areas for each coach to take ownership and continue their development beyond the programme.

The full specifications for the course can be found [here](#).

Cost

The cost of the 12-month programme will be £150.
