

NEW: Bulk Renew for Clubs

Sport80 have pushed an update where clubs can now renew the membership for multiple members of their clubs.

1. In the club profile, navigate to the admin section and click 'Bulk Renew'

2. Click on the Individual Membership line

3. The members who are eligible for a renewal will be listed. Memberships can be renewed within 30-days of their expiry date.
- This DOES NOT include anyone with an auto-renewal set up.

To begin, select the checkboxes on the left and click the **Bulk Renew** button.

If a profile is eligible to renew the same product, the **Next Type** will match the current one.

If it's not eligible, we'll automatically assign an upgrade type where possible.

If no suitable upgrade is found, the **Next Type** will remain blank – you'll need to select a type manually before proceeding.

To change the renewal type, click the  icon in the **Next Type** column.
