Introduction:

England Boxing is the national governing body for boxing. It is responsible for the governance, development and administration of boxing in clubs and competition. It also represents England as a member of the International Boxing Association (AIBA) and the European Boxing Council (EUBC).

As a national governing body, England Boxing is responsible for all the administration, development and promotion of Olympic-style boxing throughout England. It is a non-profit organisation and is thus overseen by a board of directors.

England Boxing represents more than 19000 members across over 900 affiliated clubs. Building on a large base of weekly participants (150,000*), England Boxing is committed to maximising the potential of the sport through the legacy of successful London 2012 Olympic Games.

4 global has developed a central and standardised information management system that enables the England Boxing to deliver their following priorities based on the strategic review undertaken in 2014:

- 1. Target and engage key customer segments
- 2. Improve the Club environment
- 3. Embrace and educate volunteers
- 4. Change events calendar and format
- 5. Develop commercial program

The system aims to integrate with sector wide modules and add value through greater alignment of information and added value through insight (and impact) sharing.
